

Collaborating

to meet the needs of English Language Learners

Participants are teams from elementary, middle or high schools who are serving English Language Learners (ELLs). Team members include ESL teachers, bilingual teachers, content-area teachers, special education teachers, bilingual resource specialists, paraprofessionals, and administrators.

Participants create an action plan to implement in their schools to improve the academic achievement of English Language Learners. Teams participate in three sessions:

Spring 2006 (March 9 & 10)

Fall 2006 (October 5 & 6)

Spring 2007 (April 24, 2007)

For more information about the conference please contact Cheryl Miritz at (262) 472 5797 or sweett@uww.edu

Last of 3 sessions

April 24, 2007

Time: 8:30am — 3:30pm

UW Whitewater

Esker Hall

School and District Teams will be presenting the results of their research

Sponsored through the University of Wisconsin-Whitewater by Project SWEETT (Southeastern Wisconsin Excellence in Education of Teacher Training) and the Professional Development Program for Teachers of Linguistically Diverse Students
